Native-speaking English Teacher Scheme in Primary Schools

Appointment and Re-appointment of Native-speaking English Teachers in the 2011/12 School Year

SUMMARY

This is to inform schools and Native-speaking English Teachers currently employed under the Native-speaking English Teacher (NET) Scheme in Primary Schools about appointment and re-appointment of NETs in the 2011/12 school year. Schools are requested to bring this circular memorandum to the attention of their NETs. This circular memorandum supersedes the Education Bureau (EDB) Circular Memorandum No. 63/2010 on the same subject.

DETAILS

NET Scheme in Primary Schools

2. Starting from the 2002/03 school year, public-sector primary schools operating six classes or more have been provided with NETs. Since then, EDB has been recruiting additional NETs for primary schools with an aim to achieving the target of providing one NET for each school. We have achieved the target with all of the primary schools now having their own NETs instead of sharing a NET with another school. For deployment of NETs, schools may refer to the Deployment Guidelines issued by the NET Section of EDB or seek advice from its Advisory Teaching Team (ATT).
Appointment and Re-appointment of NETs

3. Schools and their serving NETs with contracts due to expire at the end of the 2010/11 school year are requested to discuss and reach an initial agreement as to whether they wish to have their contracts renewed for another two years. Early discussion on contract renewal matters would enable NETs to make their own future plans and schools to arrange for recruitment/staff deployment. **ALL schools are requested to complete and return the attached Form A, “Reply Proforma on Appointment of NETs” to EDB** as detailed in paragraph 17 to facilitate our planning for the recruitment of NETs.

4. Schools may opt to recruit new NETs directly on their own or entrust EDB to recruit NETs on their behalf. Schools opting to recruit their NETs directly may proceed with the normal recruitment procedure and should ensure that the qualifications of NETs meet the requirements for appointment of NETs in primary schools as set out in the **Appendix**. Assessment on non-local qualifications of NETs should be arranged by schools in accordance with the Education Bureau Circular No. 1/2005 before offering appointments.

5. Schools are reminded that, since the 2009/10 school year, NETs who have not served under the NET Schemes before or with a break in service are required to produce documentary evidence of their having/not having been found guilty of criminal offence (e.g. Certificate of No Criminal Conviction (CNCC)) from the countries/cities where they have resided before they take up an appointment as NET in Hong Kong. Eligible candidates who are not able to obtain the above-mentioned CNCC since they have been residing in Hong Kong are required to obtain a certificate of statutory declaration from one of the District Offices of the Home Affairs Department certifying that they have not been found guilty of criminal offence before they could be appointed as NETs. Any NETs who have been found providing false information or withholding information willfully in this respect will be disqualified for employment or liable for termination of employment even though they have already assumed duties in schools.

6. Schools recruiting NETs directly should ask the NET to complete and return the relevant attached form as detailed in paragraph 17 together with the required documentary evidence to EDB.

7. A primary school operating **six classes or more** is entitled to a NET. As a general rule, primary schools operating fewer than six classes will not be eligible for this
provision. Primary schools with the number of approved operating classes falling below six in the 2011/12 school year will normally not be allowed to recruit any new NETs. If the NETs in those schools are serving in the first year of their two-year contract, they will be allowed to complete the current contract up to the end of the 2011/12 school year in their respective schools. In general, schools with fewer than six operating classes in the 2011/12 school year would not be allowed to renew or extend the two-year contract of their serving NETs unless the number of operating classes resumes to six or more under special circumstances. Schools with less than six operating classes will be provided with peripatetic support through the ATT.

Retention Incentive

8. With effect from the 2005/06 school year, EDB has introduced a retention incentive to provide additional incentive for serving NETs to continue their service without a break in service under the NET Schemes in Hong Kong. NETs who have served two years of continuous service and are in the third and fourth years of continuous service OR who have served four years of continuous service and are in the fifth year of service onwards, are eligible to apply for receiving a retention incentive of 5% OR 10% of the current base salary respectively. The incentive is payable to NETs in each school year subject to the school management’s confirmation in the annual appraisal that the performance of the NET has been satisfactory. For further details of the retention incentive, schools may refer to the Education Bureau Circular No. 2/2006.

Fringe Benefits for NETs

9. Schools are reminded that once the NET’s normal place of residence is established as being outside Hong Kong and his/ her eligibility for the fringe benefits under the NET Scheme is confirmed, he/ she should continue to be eligible for the fringe benefits when re-appointed without a break in service unless there are changes in the NET’s personal or family particulars such as change of marital status, permanent resident status and children having reached the age of 18, etc., which might affect his/ her entitlement. NETs should also be reminded to submit timely applications for fringe benefits, when they report for duty to your school.

Payment of Contract Gratuity

10. Schools should arrange for the payment of contract gratuity for their NETs the soonest possible upon their satisfactory completion of contract. A circular
memorandum on the details of the payment of contract gratuity and the payment of tax before leaving Hong Kong will be issued in due course.

**Appointment for Serving NETs on Completion of Contract**

11. For NETs recruited by EDB who wish to change to another school on completion of their current contract at the end of the 2010/11 school year, EDB can offer assistance to them to look for a new appointment. These NETs should complete and return the attached Form B on “Application of Serving NETs for New Appointment on Completion of Contract” via their respective school head to EDB as detailed in paragraph 17. They should note that there is no guarantee that they will be offered an appointment at other schools. If they subsequently fail to obtain a new appointment, they would not be able to return to their original schools.

**Duties of NETs**

12. NETs should work collaboratively with the English panel in the preparation of teaching materials, curriculum development, organisation of English-related activities and staff development, etc., and act as resource persons for the schools. Schools should carefully review the NET’s job description and duty lists and make sure that they are gainfully deployed. Schools may seek advice from the ATT of the NET Section at 3549 8300.

**Terms and Conditions of Service**

13. The specimen letter of appointment together with the memorandum on the terms and conditions of service for appointment as teachers under the NET Scheme in Primary Schools is subject to annual review. An updated specimen letter of appointment will be issued to schools for reference through a circular memorandum by May 2011. **Schools are advised not to sign a formal contract with their serving/new NETs before receiving the specimen letter of appointment.**

**Employment Visa**

14. Before signing a formal contract with NETs coming from abroad, schools are advised to remind them that the offer for employment is conditional upon their having obtained an employment visa allowing them to work for the school as specified in the Letter of Appointment and to stay in Hong Kong for an initial period of at least one year.
The visa should be obtained, prior to their arrival in Hong Kong, from the Director of Immigration of the Government of the Hong Kong Special Administrative Region.

15. For NETs who are already working in Hong Kong, the offer of employment is conditional upon their having obtained, prior to the commencement of the Contract, an approval from the Director of Immigration of the Government of the Hong Kong Special Administrative Region allowing them to work for the school as specified in the Letter of Appointment and to continue to stay in Hong Kong for at least one year.

**Teacher Registration**

16. Section 42 of the Education Ordinance stipulates that any person who teaches in a school has to be either a registered teacher (RT) or a permitted teacher (PT). Therefore, schools should ensure that their NETs have applied to be RTs or have applied for teaching permits for them prior to their assumption of duties. For enquiries in this regard, please contact the Teacher Registration Team of EDB at 2520 0325 or 2520 0270.
